

SW-HF2.1 1200

3-Piece HiFi Wood Speaker System

Following up the SW-HF2.1 1250 system, Genius introduces another stereo 3-piece wood speaker system - **SW-HF2.1 1200** to fulfill your needs and turn your favorite music, movie or gaming into a true audio experience.

The **SW-HF2.1 1200** speaker system with two satellites plus subwoofer, delivers a total of 30 watts RMS output power. Built only with high quality components, it features a solid wood MDF board cabinet subwoofer with a 5.25" long-throw driver for incredible bass power and two wood satellite speakers each with a 3" driver, producing high-definition sound. The control panel on the right side of the subwoofer has built in controls for easy access: Volume, Bass and Treble. The grey and silver color design is a great match with a LCD panel and refreshes the image of wood speakers.

For more details about **SW-HF2.1 1200**, please contact your sales representative.
